Experience

The Contemporary
Jan 2009–present

Designer

At the Art Center my responsibilities range from maintaining our website, designing signage/vinyl graphics for exhibitions, all print collateral and creating the overall identity.

B2B Technologies
Mar 2010–Sept 2010

UI Designer
Web Design

At B2B I was brought in to help with various internal projects, while also designing internal use applications for large businesses, with a focus on UI, I worked with BI, and the IA team on projects to deliver useful web applications.

Freelance
2006–present

Designer
Brand Management

Experienced jobs with clients in different fields ranging from product introduction to web design and identity systems. Fulfilling projects from conception to fabrication in both Print and Internet solutions.

Henry & Company
2006–2008

Production Designer
Pressman Assistant
Production Assistant

A finishing company out of Chamblee, Georgia specializing in low volume custom work. From invitations for Big Boi and P. Diddy's events to Gulf Stream and HW Elliot.

Design Answers
2006–2008

Production Designer
Preflight & Packaging

A sister company to Henry & Company, Design Answers is an Atlanta based company specializing in letterpress and custom projects, with clients such as Steve Martin, Autotrader, Milliken, Porsche, and Coca-Cola.

Pecan Pie Couture
2007

Production Designer
Graphic Design

Skills needed to work here ranged from serging, sewing, whip stitching, and knitting. This quickly grew into natural dye processes, custom screen printing and foil transfers where everything was done in house. I always designed various graphics for some of the clothing.
